JUNIOR JABBER

Vol.31 No. 4

August 2003

*And, as in uffish thought he stood,
The Jabberwock, with eyes of flame,
Came whiffling through the tulgey wood,
And burred as it came!*

Something from the editor (Blanka Sengerová)...

The summer holidays are now well under way, a number of WAOC juniors are busy attending summer training tours and others have undoubtedly just taken part in the Scottish 6 Days. Just to look back a bit further to events that have happened since the last Junior Jabber...

The only WAOC junior that made it to the Springtime in Shropshire weekend (25th/26th May) was **Thomas Hemingway** (M10A) – congratulations for coming 3rd on Day 1.

At the EAOA AGM at the end of June, the final EAGAL results for 2002 were announced. Out of the WAOC juniors, we have the following EAGAL champions:

- Thomas Louth (M10)
- Edward Louth (M12)
- Sophie Louth (W10)
- Katy Woods (W12)
- Clare Woods (W14)

During the weekend of the 28th/29th June Walton Chasers hosted this year's Junior Inter-regional Championships in Cannock Chase. The WAOC juniors that were part of EA's team were M18: **Peter Gardner**; M16: **Simon Gardner**; M14: **Jamie Taylor, Edward Louth**; W18: **Helen Gardner**. Well done to everyone who took part, and congratulations for the especially good results from Helen who finished 4th, Jamie finished a very solid 14th out of 37 M14 competitors. As for the relays, the men's EA teams were placed 7th (**Simon Gardner, Edward Louth, Lawrence Ball**) and 13th (James Lyne, **Jamie Taylor, Ed Kelleher**) out of some 24 teams, whilst the women's teams were placed 20th and 21st. Overall, East Anglia finished 6th out of the 11 regional teams.

The first year of the SMILE league has now successfully come to its close with events at Ampthill, Hinchbrook, Therfield Heath, and Fairlands Valley since the last issue of Junior Jabber, the results of which are included in this issue. Also included are the final standings and a report from Ursula Oxburgh, who devised the league and co-ordinated it. Congratulations to the winners.

Some of the most dedicated juniors attending the SMILE events were from King's College School Cambridge (and now also WAOC), many of whom had their first experiences of orienteering last autumn when Ursula, Nicola, Anne and Caroline put together a set of PE lessons introducing orienteering to them. Jonathan Cronk describes his experience of this course.

That's probably all from me, enjoy the running...

Blanka Sengerova

Peter Palmer relays: advance notice

This is a junior equivalent of the Harvester, being a relay competition run partly at night (or rather dawn) and partly during the early morning hours when it starts to get light. The event takes place every year at the end of September or early in October, with event locations rotating between different clubs and hence also areas. Teams of 8 are usually entered to split the equivalent courses of 2 x RED (run as the earliest legs), 2 x ORANGE, 1 x YELLOW, 2 x LIGHT GREEN and 1 x GREEN between themselves, which means that juniors of different ability levels from a club can join forces and run their own course with an aim to score points for the club.

Three different trophies are awarded, the Peter Palmer Trophy (teams of 8 Juniors M/W12–18), the Joan George Trophy (teams of 8 Juniors M/W12–18 with combined BOF ages totalling 120 or less) and the Norwich Orienteering Club Anniversary (teams of 5 Juniors M/W12-18 from 'small clubs'). This allows smaller clubs or clubs with younger juniors to be able to gain some credit.

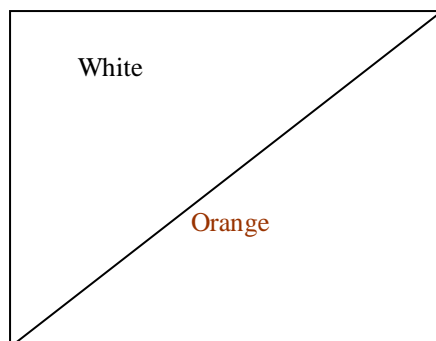

This year's event will be organised by COBOC in Sutton Park (Birmingham) on the weekend of the 20th/21st September 2003 and it would be good to get as many WAOC juniors as possible involved. If you would like to run, please email Peter Gardner (peter@gardner5.clara.co.uk) with:

- **your age class**
- **the highest possible colour course which you'd like to run**

First experience of orienteering

I first started orienteering when four ladies came to school. Every P.E. lesson we practised orienteering .We first started by learning how to read a map and what the symbols meant.

Then we went outside onto to Front pitch, for which we had been given a map showing various control points. We had use the map to go to a particular control that had a flag that looked like this:

Dangling from the flag was a letter. We filled in a card by going to each control and writing down the letter.

Next we had a kind of orienteering competition around the school. We had a punching card and a map and had to run the set course as fast as we could punching the card at each control.

The best P.E. lesson was when we went down to Coe Fen where we had a proper competition and some mothers came to help with recording the times.

Since then I have been to Thetford Forest, Bedford and Nottingham Forest to do Badge Events. Each time I have become more confident and hope to do lots more this year.

I hope more people will get involved in orienteering !! It's fun !!

Jonathan Cronk (King's College School and WAOC)

SMILE league

The league, which has been running between April and July this year has now finished, and the winners of the league are below – congratulations! Further on you can also find a complete league table.

SMILE LEAGUE AWARDS 2003

White

GOLD	James Firth
SILVER	Jonathan Cronk
BRONZE	Thomas Norris

Yellow

GOLD	James Firth
SILVER	Thomas Norris
BRONZE	Jonathan Cronk

Orange

GOLD	John Gresham
SILVER	James Norris
BRONZE	Katrin Sengerova

SMILE LEAGUE CUP 20 July 2003

White

GOLD	Miriam Norris
SILVER	James Firth
BRONZE	Jonathan Cronk

Yellow

GOLD	Miriam Norris +
SILVER	Jonathan Cronk
BRONZE	Thomas Norris

SMILEY MUGS for PROGRESS

Miriam Norris
Thomas Hemingway
Catherine Gresham

SMILE league

Here is the final League Table for the 2003 SMILEs. You can see that lots and lots of juniors came to the events but that since the best 5 scores count

Are you on the SMILE list? If so, you will probably realise that they have been put on by 8 different WAOC families. Three of them – Coe Fen, Ampthill and Therfield Heath – were planned by juniors, and very well planned at that.

So congratulations to all of you, whether you planned or ran, and many many thanks to the parents who helped the planners and organised the events. Many thanks also to the WAOC committee who set such a low entry cost and who also provided the money from club funds for all the medals and prizes we gave out at our last SMILE at Fairlands Valley Stevenage. There is a list of these below.

The Smith family had found a lovely bit of Fairlands Valley for us to run on and an ideal place for the club tent and Simon and Helen Gardner gave out the medals and prizes. I had hoped that Peter, our junior captain, would also be there but he was off in Sweden at the O-Ringen which is an absolutely huge orienteering event, much bigger than any we have in Britain.

Helen was just back from running for Great Britain in the Junior World Orienteering Championships in Estonia and looked very smart indeed in her GB kit. She brought along her GB O top to show us, but she is not allowed to wear it except when she is running for Great Britain. She told us that she started orienteering when she was 10, so let's hope that we have lots of you following in her footsteps!

If you liked the SMILEs, see if you can persuade your family to put one on next year. We had at least 5 new planners and 3 new organisers this year, so you do not need to have planned or organised before. We provide both a planning and an organising guide and there is also lots and lots of help available both beforehand and on the day, and we can always find people to help out on the day if your family is too small to do all the jobs. Just phone or e-mail me (Ursula Oxburgh, u.oxburgh@esc.cam.ac.uk, 01223 357 199) and I will put you on the e-mail list.

Ursula Oxburgh (WAOC, SMILE co-ordinator)

SMILE event round-up...

1 – Amphhill Park, 7th June

This event was part of a limited colour coded WAOC event and it was planned by Martin Humphries...

Controllers Comments:

Well done to Martin for planning some interesting and challenging courses. Amphhill Park is a great little area, and I felt Martin's courses made good use of the park, especially as we decided, quite late in the day, to use manual rather than electronic punching.

Having Neil as an in-house checker made controlling this event very easy, and there were only a few things that needed picking up. It was also a joy to be able to check all of the controls on Saturday morning in under an hour!

The SMILE series seems to have been very successful and it was good to see so many youngsters having one, two or even three runs on the day - I hope this enthusiasm lasts. If it does, who knows, we could have some future internationals in our midst.

Mike Capper (WAOC)

2 – Hinchingsbrooke Country Park, 28th June

This event was organised by the Hemingway family:

Many thanks to all the competitors who came along today. The sun smiled on us and everyone seemed to enjoy themselves. We had a few more newcomers" and several said that they could not wait for the next event and that they would now join WAOC.

Thank you also to Neil, Pauline, Martin & Philip Humphries who manned the finish and to Marcus Misson who manned the start, both parties making our life very easy.

We are pleased to report that there was only one act of mischief when a control used on the White and Orange courses was moved and the punch lost, although the control flag was recovered. Those competitors that missed it were reinstated.

Sorry to the Score competitors that had difficulty at the control in the marsh. It might have been kinder of us to warn you that this was one of the few controls on the Score that was not visible from some distance, given that it did not feature on any of the three colour coded Smile courses - we thought we had to make it a little more challenging for you but perhaps ten feet visibility was too much of a change in style !

4 – Fairlands Valley Park, Stevenage, 20th July

Organiser's Comments

We had yet another lovely day for a SMILE event. Thank you to the Smith family for careful planning and very efficient organisation and thank you, Ian, for finding such a lovely bit of Fairlands Valley for the courses and the picnic. Thank you also to Neil Humphries who completed the mapping that had been started by Hally Hardie.

The SMILE League Cup competition was contested by a handful of very determined youngsters and we had some seriously fast times on all the courses. Score course contestants had to contend with a map on which E and W had been transposed.

Helen Gardner, recently returned from representing Great Britain in the Junior World Orienteering Championships in Estonia, won the Score course and then changed into her GB kit to present some of the medals, including a virtual gold medal to Simon, second on the Score today but first in the Score League. Simon then took over and presented the rest of the medals and awards.

Congratulations to King's College School who took Gold, Silver and Bronze medals in both the White and Yellow Leagues. Special awards went to Miriam Norris (KCS/WAOC), Thomas Hemingway (WAOC) and Catherine Gresham (Ind).

We hope to see you next year.

Ursula Oxburgh 01223 357199

Lost property: A white tee shirt, described as size 7/8 though it looks more like a 4/5 to me.
